MESSAGE FROM VICE CHANCELLOR

It is indeed a matter of immense pleasure for me to know that the Karachi University Business School has launched Executive Master of Business Administration (EMBA) program. I welcome the new entrants at KUBS and expect them to gain higher managerial efficiency. EMBA program is essential for the persons who are in service.

The Karachi University Business School (KUBS) is already providing learning opportunity to students through different BBA Four Years, MBA Three & Half Year, MBA (Banking), MS, Ph.D. programs.

The EMBA is a unique program in the sense that it will help the students to acquire better professional qualities as managers. It is expected that after qualifying this program the students will be able to contribute for growth of their business as well as their own personally. I congratulate the Chairman and faculty of KUBS for the efforts exerted in starting the EMBA program and once again congratulate and welcome to new entrants of the program.

Prof. Dr. Muhammad Qaiser
Vice Chancellor
MESSAGE FROM DEAN

It is a pleasure and a pride for the Faculty of Management & Administrative Sciences, in particular, and for the University of Karachi, in general, that the Karachi University Business School is scheduling its intake for the next batch of the MBA (Executive) for the benefit of the public, corporate and industry sectors in future. The demand of managers and executives in the business organizations located in the city of Karachi will be especially served by the young KUBS graduates by virtue of their quality and up-to-date education. It is hoped that by producing MBA (Executive) batches, the KUBS will be providing talented leader managers to the business, industry and public sectors in the field of management.

I would offer deep felicitations to Dr. Danish Ahmed Siddiqui, Chairman, Karachi University Business School for his industrious efforts to commence MBA (Executive) at his department. Special appreciation to Prof. Dr. Muhammad Qaiser, Vice Chancellor for his firm support for the new MBA program.

I wish all success of the program and am confident that KUBS will keep introducing new programs keeping in view the market demands of the economic hub of Pakistan and of the entire country.

Prof. Dr. Khalid M. Iraqi
Dean
Faculty of Management & Administrative Sciences
This is indeed a great honor for me to announce that Karachi University Business School (KUBS) has launched its Executive Masters Business Administration (EMBA) Program. This program has been exclusively designed keeping in view the needs of the market as well as the individuals who wish to excel in their career. For the convenience of the students, the program will be held on Saturdays and Sundays.

The decision to start EMBA by KUBS is mainly due to the fact that only private universities are conducting classes. Ours is the only public university has take the step to start the program. In fact our respected Vice Chancellor Prof. Dr. Muhammad Qaiser has take keen interest starting EMBA. Realizing the difficulty that in-service candidates do not have much time to join the EMBA class during their working hours. Keeping in view Prof. Dr. Muhammad Qaiser the Vice Chancellor desired to provide the facility of EMBA education for the working managers which will be held on Sundays and Saturdays.

KUBS has the reputation of providing education of high standard with equal opportunity for all.

KUBS is already engaged with various teaching activities through its BBA, MBA, MBA (Banking), MS and Ph.D. programs.

From the core of my heart, I welcome you all at KUBS, an institution wherein devotion to studies and excellence in education are considered as the prime objectives.

Dr. Danish Ahmed Siddiqui
Chairman
Karachi University Business School (KUBS) was established in the academic year 1999-2000 because Institute of Business Administration (IBA a constituent of University of Karachi) was declared autonomous degree awarding institution.

KUBS with in short period of time has become well established institution with good reputation and high image in the business world. KUBS is presently offering a number of programs, namely BBA Four Years Program, MBA Morning Three & Half Years and Evening Five Years programs, MBA (Banking) Two Years Program (Morning & Evening) is being run in collaboration with Institute of Bankers Pakistan (IBP) and MS Program.

KUBS has plans to start short term certificate programs in the field of financial management, marketing communication, brand management, services marketing and MIS.

The KUBS is temporarily housed on first and Second floors of Commerce building.

The mission of KUBS is to develop the leaders who will make the difference in this time of extraordinary change throughout the world. We, at KUBS, are committed to impart to our students general management education focusing on building a deep understanding of business, teaching with skill and passion. We follow a field-based education pattern with emphasis on problem-focused research and the case method of instruction. We also intend to imbibe a sprit of entrepreneurship and creativity among our students and prepare them to keep pace the global community that is increasingly reliant on technology.

We would like to congratulate our management, faculty, staff and students on winning the Asia’s Best Business School Award under the category of “Innovation Leadership Award”. The 2nd Asia’s Best B-School Awards ceremony was held on July 22, 2011 in Singapore, where the award was presented to Dr. Abdul Rehman Zaki, Chairman Karachi University Business School (KUBS). KUBS was awarded for its tremendous contribution to the field of Business Management in the form of its highly qualified and shining graduates who are working in various reputable organizations all over the globe. Asia’s Best B-School Awards’ is an initiative of CMO Asia Advisory Board and Advisory Council of the World Brand Congress. Business schools from 25 countries were nominated and awarded under various categories.

“We Prepare Right Leaders for the Right Organization”
OBJECTIVES

The goal of the Karachi University Business School is to promote a modern management profile, in which the gap between the theory and practice is narrowed down; to work on the integration between the academic and business community; to produce graduates with management information skill, and proactive attitudes to cope with the business environment.

The dynamic approach fastened by the KUBS, enable the faculty to maintain its competitive edge in the market, meet the 21st century managerial skills challenges and contribute to the welfare of society through various research works. KUBS equips its students with the necessary skills needed to enable them to contribute effectively in the modern business entities.

FACILITIES

Karachi University Business School (KUBS) is located in a serene corner of the University. It occupies space on the first and second floors of Commerce Building. The KUBS offers a well-equipped learning environment.

The library offers a comfortable and quite workspace with good number of books on business and professional journals. Business Periodicals both local and international are subscribed by the library. Students can also consult Dr. Mahmood Hussain Library of Karachi University, which has a large collection of books and reading material.

KUBS is also provided with a computer lab, which is equipped with open-access PCs with word processing, presentation, database and other software are available. Upgrading of lab and installment of new PCs is still in progress.

ATTENDANCE AND DISCIPLINE

All most full attendance is desirable in the interest of students themselves. However, leaving an allowance of exigencies like sickness, a minimum of 85% is required, according to the decision of Academic Council. Students having more than six absences in a course will not be allowed to take semester examination and he/she will get an “F” grade (failure) in the course concerned.
INTRODUCTION

Discipline in regularity of attendance and classroom teaching is strictly followed. Faculty members are responsible to monitor and assure that rules and regulations are strictly adhered to by the students.

Students are required to maintain discipline, and follow all the rules and regulations of the University of Karachi. On the whole, students should maintain proper decorum and academic atmosphere. They should also respect the policy of “No Smoking”. Students having mobile phones should keep them off during the class and any examination.

SEMESTER AND CREDITS

Academic year is divided in two parts of about four and a half months each. These parts are known as “semesters”. Subjects taught are known as “courses”. Students shall study five courses in a semester. Successful completion and passing of a course, involving three hours in a week, will mean that a student has earned three “credit points”. In each course there will be two periods of 75 minutes in a week.

STUDENTS BODY

The KUBS encourages a socially dynamic student’s body. The Business Administration Students Society (BASS), run by the students, is in many ways the mainstay of social life for students. It provides many vital services and opportunities.

The main aims of the society are to look after students’ interests and to provide social and recreational facilities for students. Working for the society is something beyond than just to organize events. The very process of planning, executing and controlling events require efficient decision-making capabilities of the members and hence increase their managerial skills. BASS is run by a Community having following members:

1. President (Chairman of the KUBS holds this position)
2. Vice President
3. General Secretary
4. Treasurer
5. Executive Committee (consisting of 6 members)

Members of executive committee will run forums assigned to them. The VP and the GS oversee and manage the students’ activities. All students automatically become members of the BASS.
INTRODUCTION

BASS undertakes the activities including seminars, guest speaker sessions, picnics, ceremonies, sports etc. all of these activities are provided with ways to groom the students' skills and to establish their contacts in the intended profession.

Guest Speaker sessions are held throughout the semester, which brings in business and industry representatives to discuss various career paths, industries, functions and career-management issues.

TEACHING AND ASSESSMENT

1. Regular class teaching is by faculty members. Eminent faculty is also drawn from outside business organizations to share with students their practical experience specially in those courses which are practical oriented.
2. Case studies, class presentations, Questions-answers session, seminars etc. are regularly conducted.
3. Periodical assessment of student performance through terminal exams, and final exam is done. Term papers and research reports are also produced in almost all courses by the students.

EXAMINATIONS AND GRADING SYSTEM

In the education of Business Administration, the Examination system is a continuous process; several quizzes (unannounced surprise short tests of 5 to 10 minutes each); periodical examinations of one and half-hour each; assignments, reports, presentations etc.; Final Term examination of three hours; comprehensive examination.

Students should take their studies seriously all the time during their studies, and not wait for final semester examination. Every student should keep a track of his performance in quizzes, assignments, and periodical examinations.

Final and overall grade will have the results or marks in all the following components.

a) Half Yearly Test  
b) Quizzes  
c) Mid Term  
d) Term Papers  
e) Presentation  
f) Case Study  
g) Comprehensive Exam

Note: A student is required to maintain a minimum GPA of 2.2.
In some cases, depending on overall record, a student with a GPA of 2 may be allowed to make up the deficiency, and improve his GPA as a probationary student. However, in such cases, it will take more than four years to complete the BS program.

**SIMPLE EXPLANATION OF GPA**

Over all performance of a student is measured in terms of Grade Point Average (GPA).

A simple explanation is presented below:

1. As mentioned earlier a course (subject) is taught for three hours (two classes of 1 ½ hours) each in a week. A student thus, earns 3 “credits” or “credit hours” in each course (subject).

Example is given:

<table>
<thead>
<tr>
<th>Course</th>
<th>Credit Hours</th>
<th>Grade</th>
<th>Grade Point</th>
<th>Grade Point Product</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>3</td>
<td>A</td>
<td>4</td>
<td>12.0</td>
</tr>
<tr>
<td>2</td>
<td>3</td>
<td>B</td>
<td>2.8</td>
<td>8.4</td>
</tr>
<tr>
<td>3</td>
<td>3</td>
<td>C</td>
<td>2</td>
<td>6.0</td>
</tr>
<tr>
<td>4</td>
<td>3</td>
<td>C+</td>
<td>2.4</td>
<td>7.2</td>
</tr>
<tr>
<td>5</td>
<td>3</td>
<td>C</td>
<td>2</td>
<td>6.0</td>
</tr>
<tr>
<td>6</td>
<td>3</td>
<td>F</td>
<td>Zero</td>
<td>Zero</td>
</tr>
<tr>
<td>7</td>
<td>3</td>
<td>F</td>
<td>Zero</td>
<td>Zero</td>
</tr>
<tr>
<td>Total</td>
<td>21</td>
<td></td>
<td>13.2</td>
<td>39.6</td>
</tr>
</tbody>
</table>

\[
GPA = \frac{\text{Total Grade Point Products}}{\text{Total Credit Hours}}
\]

\[
GPA = \frac{39.6}{21}
\]

\[
GPA = 1.88
\]
A simpler way to calculate GPA (if all courses have 3 credit points) is:

(i) Add up Grade Points.
(ii) Divide the total by the number of courses (subjects).

For example:

Total Grade Point = 4 + 2.8 + 2 + 2.4 + 2 + 0 + 0 = 13.2

\[
GPA = \frac{\text{Total Grade Point}}{\text{Total Number of Courses}}
\]

\[
GPA = \frac{13.2}{7}
\]

\[GPA = 1.88\]

GPA is calculated for each semester and also for entire period of six semesters, for B.B.A. (Honors); and four semesters for MBA. In case of BS Four Years Program GPA will be calculated for each Semester and also for entire period of eight semesters.
