POSTGRADUATE DIPLOMA (PGD) IN
FUNCTIONAL ARABIC

Department of Arabic, University of Karachi

Introduces Post Graduate Diploma in Functional Arabic

Being the language of Holy Quran, the Arabic language enjoys a significant status among Muslims. However, due to globalization the use of Arabic Language has been increased and it has now become mandatory to learn this language in order to cater the needs of Arab job market. However, acquiring professional skills of communication and translation in this language is considered a challenge for people. Considering the need, the Department of Arabic introduces diploma in Functional Arabic. The program will help the students in acquiring professional skills of communication and translation which will benefit those who seek job opportunities in the Arab Job Market. Classes for PGD in Functional Arabic will be conducted in the Afternoon (03:00 pm – 05:30 pm)

OBJECTIVE

The Post Graduate Diploma Program in Functional Arabic intends to empower learners with the ability of day to day correspondence in Arabic language including translation and the use of Arabic software programs and keyboards. Some of the main objectives include:

1) Awareness of the physical and cultural characteristics of the Arab World including location and well-known places.
2) Inculcation of professional skills of translation, including the knowledge of terminologies and technologies of the art of translation. This will enable the learner to compete the job market of this field.
3) Training to acquire excellent communication skills in Arabic Language.
4) Improvement and training of Secretaryship skills including management and administrative training in an individual, which is mandatory for running office matters smoothly.

ELIGIBILITY

1) At least 2nd division in Graduation with Arabic or Arabic Certificate/Diploma or any other equivalent qualification.
2) Al Shahadat-Al Aaliya from any recognized Deeni Wifaq/Board.
3) Admissions are granted on Merit of Pre-Requisite Examinations.
