

# *Japanese Language Course*

## **Objectives**

The main objective of this Course is to promote Japanese language through giving a basic know-how about Japanese Language and culture, and to develop the interest of Pakistani people in learning of Japanese Language. Japanese is very interesting language, and its sentence structure is similar to Urdu.

Recently, Pakistan and Japan have signed a Memorandum of Cooperation (MOC) for exporting Pakistani skilled workers to Japan to fulfill their shortage of manpower, so a large number of students are expected to learn Japanese Language to avail this opportunity which will also help in resolving unemployment issue of Pakistan.

After completion of this short Course, the learners will be motivated to learn Japanese Language properly to achieve their target level of Japanese Language Proficiency.
