International Conference on Management, Education And Social Sciences Research

ICMESSR 2015

April 04-05, 2015

Call for Paper

IQRA University, Karachi and the Faculty of Social Sciences, University of Karachi are jointly organizing International Conference in the field of Management, Education and Social Sciences. The conference aims to provide a platform to Academia/Practitioner to present papers on the prescribed theme. All submissions focusing on theories, methods and applications in education, management and social sciences are welcome. All articles must be in English. Overarching aim of this conference is to bridge the gap amongst academia and practitioners and bring them together to generate ideas for future. The theme of the conference is International Conference on Management, Education and Social Sciences Research. Researchers and practitioners are invited to submit their ideas in the form of abstracts in the following areas. Interdisciplinary work will be highly appreciated.

In addition to the electronic version on conference website, all accepted papers will be published as a special publication with an ISSN number. The authors are recommended to personally present their papers, however, international scholars can present their work online (SKYPE/Recorded Video/etc.) after seeking organizer's consent.

In order to make the conference productive and worthwhile, each session will be focused on a theme. Networking opportunities will also be provided that will allow for a structured sharing of experiences by the Speakers.

All readers of this Call for Paper are requested to send an abstract of the paper which they would like to present at the conference on the forms attached or email on the same format to the Conference Coordinator. An independent Review and selection committee will undertake a blind review of the abstracts received and recommend those that should be considered for development into full papers to be presented at the conference.

This conference is an effort to achieve the following objectives:

- To create an environment in which the professional exchange of ideas can occur.
- To generate new ideas and offer potential solutions to social sciences transition.
- To encourage people to be an active participants in society.
- To build `cooperative bridges´ among people from different municipalities, ethnic groups and background.
