

# 1<sup>st</sup> International Conference on Current Trends in Science, Engineering & Technology

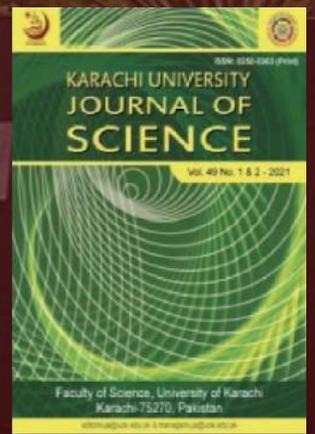

## CALL FOR ABSTRACTS

The Faculties of Science & Engineering University of Karachi invite you to the 1st International Conference on "Current Trends in Science, Engineering and Technology (CTSET-2022)". The conference is scheduled for July 25 – 28, 2022 in the premises of faculties of Science & Engineering, University of Karachi.

University of Karachi, Karachi  
July 25-28, 2022

The purpose of the conference is to provide a platform for Scientists, Engineers, Technologists and research scholars from various universities, research organizations and institutes to share their innovative ideas and research experiences. The conference will be a wonderful opportunity for the young research scholars to meet eminent scientists of international repute and to develop academic links. Keynote speakers will deliver talks and presentations on various aspects of Science, Engineering and Technology.

Conference has a multidisciplinary theme encompassing all fields of science and engineering. Submitted abstracts will be evaluated by a technical committee and upon acceptance, authors may submit a full-length research paper for publication in the conference proceedings. The presented research paper may also have a chance to be published in the peer-reviewed "Karachi University Journal of Science", with the consent of the authors.
